Bellevue, NE, June 8, 2021 - **ConvergenceCoaching®, LLC**, a national leadership and management consulting firm that helps public accounting and consulting firms achieve success, is proud to announce the 2020-2021 Spring **Transformational Leadership Program™ (TLP)** graduating class!

Jennifer Wilson, Co-founder, Partner and TLP coach, commends the graduates for their achievements and determination. "We are especially in awe of this group of future leaders. Our graduates exemplified what it means to be strong and resilient – truly unstoppable – throughout the pandemic. All through the program we've been discussing the changing landscape and business model and our TLP graduates will now play a vital role in shaping a new, better way of leading and managing their firms and clients going forward. These leaders will lead the way in initiating change."

Renee Moelders, Partner and TLP coach, also applauds the graduates, saying, "We are thrilled to recognize this group of leaders and their accomplishments throughout the TLP program. It is truly astounding how the TLP leaders identified ways to overcome obstacles during a highly challenging year and found their paths to success. We are proud of them for fostering a positive firm culture while also meeting the needs of their clients and colleagues. The future is bright with these leaders at the helm!"

Participants ended the TLP by coming together for the final remote roundtable. Each graduate gave a short presentation about their TLP journey and what's next as they look toward the future.
